## NOTICE TO SHAREHOLDERS

### DIRECTORATE APPOINTMENT

The Board of Directors are pleased to announce the appointment of Josephine Takundwa as a Director of Ariston Holdings Limited, with effect from 12 March 2026.

Josephine Takundwa is a seasoned entrepreneur with over 20 years of experience across technology and agribusiness. She is the Founder of Earthlink Technologies and the Founding Chief Executive Officer of Sesame for Life (Private) Limited. Through Sesame for Life, she has driven meaningful social and economic impact, helping to improve livelihoods and strengthen communities.

She is currently Deputy President of the Zimbabwe National Chamber of Commerce since 2024.

Josephine joins the Group at an exciting time as it embarks on a growth and market repositioning path.

The Board wishes the director well in her new role.

By order of the Board
